# Our Principles

## Innovative Financial Center

We serve as a global bridge for cryptocurrency enthusiasts and financial innovators.

Our main goal — simplify access to crypto finance for everyone.

## Excellence in Financial affordability

We offer a full financial spectrum: from lending to investing.

However, our vision is broader - we see the creation of a space where modern finance is accessible, safe and effective for everyone.

## Dedication to Integrity & Openness

Compliance and transparency are at the core of our business.

Our priority is the security and integrity of our users' assets. We partner with industry leaders to provide unparalleled protection.

# Crypto Loans

**Amount up to**

**100 000 USDT**

**Term up to**

**180 DAYS**

**Collateral from**

**105 %**

Take advantage of an instant crypto loan backed by the most popular cryptocurrencies.

Actual loan terms and calculator are available at <https://va.foundation/loans>

# Why use this?

## **Availability**

Crypto loans do not require a credit score assessment, making lending more accessible.

## **Flexible terms**

Payments on crypto loans can be very flexible, allowing the loan to be tailored to the individual financial needs of the borrower.

## **Approval speed**

Cryptocurrency loans can be processed almost instantly, unlike traditional financial institutions.

Taking a crypto loan allows you to create asset liquidity and realize short-term goals without making taxable transactions.

Borrowers can use cryptocurrencies as collateral without losing their potential value in the market.

# Yield Account

**Yield up to**

**0.73** % **DAILY**

**Invest from**

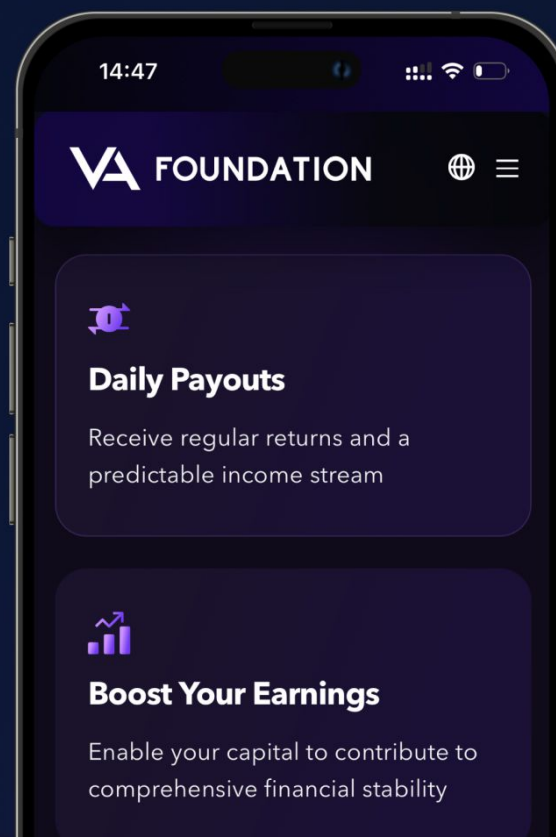

**250** **USDT**

**Term from**

**15** **DAYS**

Reliable and competitive returns on a wide range of assets through our transparent and secure platform.

Actual deposit terms are available at <https://va.foundation/yield>

We guarantee the security of your financial transactions using modern technologies within a protected environment.

# Your Assets Are Safe With Us

## **Top-Notch Custody**

The digital assets are protected using cutting-edge technology and are additionally backed by \$150 million in combined tax insurance policies.

## **Proactive Security Model**

We employ a real-time risk engine and uphold strict collateralization requirements to ensure earnings are secured safely.

## **Industry's Best Practices**

Our unwavering commitment to IT security, data protection, access control and encryption ensures your assets and data are protected.

# Loyalty Program & CASHBACK Service

Our platform provides also two exciting services:  
a Loyalty Program and a Cashback Service.

Sign up today to benefit from these features and  
enrich your investment experience!

# Loyalty Program

## Reward

**10% OF EACH**

**partner deposit profit &  
loan payment**

Get commissions for each  
active client you bring  
to VA Foundation.

# Cashback Service

## Cashback

**5%** OF EACH  
**partner deposit made**

Each investment generates a cashback voucher that can be redeemed by your friend or partner
